I INFORMED AND INTENTIONAL

We're not just present, we're prepared. We know what's happening, why it matters, and how our role contributes to the big picture. We stay sharp, communicate clearly, and serve on purpose.

F FUN

Joy is contagious. We bring energy, positivity, and lightheartedness to what we do, creating a culture people want to be a part of. When we enjoy serving, others enjoy being here.

T TEACHABLE

We're always learning, from God, from each other, and from experience. We welcome feedback, remain humble, and seek to grow. A teachable team is a thriving team.
